

Pathway to Anthropology						What is a Pathway?	
AGS - Anthropology		Freshman Fall	Freshman Spring	Sophomore Fall	Sophomore Spring	Recommended Course	
General Education		Hours					A pathway is a guide showing an ideal sequence of courses for students pursuing an Associate's degree or other college-ready students seeking to transition into upper division coursework in a specific major. Pathways will vary depending upon a student's academic record but are designed to minimize delays in completing a 2-year or 4-year program on time.
Element 1: Communications	9						
A: Written Communication (3 hrs) ^a		3					What is Anthropology? Anthropology is the study of human diversity. It explores the meaning of being human through the study of culture and social relations, human biology and physical evolution, to language, music and art, and variations in human habitation. Anthropologists investigate the vast human experience- past and present- through archaeology, cultural anthropology, physical anthropology, and linguistic anthropology.
